Islamic Museum of Australia

Online Education Portal

Discover, Explore, Learn.

The Islamic Museum of Australia (IMA) was developed in part to support core curriculum teaching. Our programs are developed to support schools with curriculum aligned materials to create meaningful learning opportunities for all who engage with us.

The resources on this site have been developed in alignment with the current **National, Victorian and NSW Curriculum frameworks**. The intention is that they are used to support teachers and students in classrooms around Australia in building greater intercultural awareness and capability.

For this reason, the majority of resources are **free of charge**. Our catalogue of resources are constantly growing, so if you are looking for something in particular please reach out.

TESTIMONIALS

"My students really enjoyed the experience and **rated it at least an 8 or 9 out of 10.** Given we are an alternative education setting for students who have been disengaged from mainstream setting in the past (for various reasons) this was really encouraging."

"**We loved the day.** It was so important for us to come, and we **learned so much.** The students were very grateful and a number of them wrote about how it completely changed their perception of Islam. Thank you so much for the heart and commitment you give to your work."

"This museum was the best!"

"This museum was amazing!"

"**Eye-opening experience** that I enjoyed."

"It was enjoyable because **I learnt new things** about a **different culture.**"

"I really liked it, and **I think it was really fun** to read about all the different descriptions of each exhibition."
